life's good when you start every day with dessert.

We've perfected the art of making delicious desserts over our 30 plus years in the industry. It's a sweet gig and it makes us smile knowing people are enjoying our decadent desserts as much as we enjoy creating them.

We're a family of dessert lovers, from our Managing Director, David Rose, who has owned and grown with Exquisite since 1986, to the third generation of Rose's, who are avid taste-testers of all things chocolatey or sweet. All members from the youngest to oldest have helped along the way from being head label stickers to taste test lickers.

dessert that's good for you & good for the planet.

Many Exquisite team members have worked at the company for decades, pouring their knowledge, expertise, and care into creating innovative and exceptional desserts every day.

We take pride in each spoonful of our desserts. All created, filled, packed and dispatched from our sweet spot headquarters in Melbourne, Australia.

We're a climate conscious company too and take every care and action to ensure we minimise our environmental impact. We have used world-first technology to achieve this goal, investing in a custom designed, state-of-the-art CO₂ refrigeration system and solar technology. We continuously strive to reduce our carbon footprint.

our recipe for success...

The dessert business is not as sweet as it seems. It's a highly competitive environment where every spoonful matters. So, to be highly awarded in this field is a great honour.

We've always known our recipes are special, it's taken us years to perfect them but it's nice to be acknowledged at prestigious dairy shows.

Above all else our greatest achievement is adding delicious to your day.

we're lucky to be consistently recognised at industry award shows...

“We ordered a takeaway meal tonight, I don’t normally order dessert but decided to have as treat. I’m very glad I did!! Both my partner and I loved loved loved the chocolate mousse. Absolutely delicious!! Also love the fact you’re in Victoria.”

Leanne – Victoria, Australia

“Hey guys, yesterday in the back of my fridge I found one of your desserts... I can’t believe it had survived in my fridge undetected. It was the chocolate mousse with caramel. My god I have never tasted anything like it. I must have more!”

Blair – Victoria, Australia

"I just wanted to drop you a quick line to congratulate you on producing such a wonderful product. You thoroughly deserve the champion award from the Australian Dairy awards for your divine chocolate mousse. It is absolutely the best mousse I have ever tasted and I hope it never runs out. Well done"

Sandra – New South Wales, Australia

"I ADORE your salted caramel mousses."

Matt – New Zealand

"I am writing to you to say how much I enjoyed your vanilla cheesecake I purchased recently. May I say that the flavour was very good and it was light and very delicious. If only I could purchase a larger dessert I would have. Keep up the good work. Once again your product was very, very delicious."

Sandra – Queensland, Australia
